CALL FOR ABSTRACTS

Abstracts for the meeting "Neurodegenerative Diseases: Molecular Mechanisms in a Functional Genomics Framework" are now being accepted.

You are invited to submit abstracts relating to the fields of neurodegenerative disease and functional genomics research. Aim of the meeting is to discuss cutting-edge technologies, latest disease mechanism research, disease modelling and new strategies for target identification and therapy development.

You may choose whether to present your abstract in a talk or as a poster. Abstracts must be submitted by June 1, 2006 via the abstract form provided on our website. Abstracts will be reviewed by July 1.

We explicitly encourage students and postdocs to present their work in a "Young Scientists Session." There will be a prize competition for participants, with presentations evaluated by the members of the Organizing Committee. The winners will be reimbursed for their registration fees.

Abstract submission requires registration of the author.

ORGANIZING COMMITTEE

Erich Wanker, Berlin
Karl Sperling, Berlin
Thomas Klockgether, Bonn
Hans Lehrach, Berlin
Ulrich Hartl, München
Patrick Umbach, Berlin

SPEAKERS

Roberto Cappai, Melbourne
Andrew Emili, Toronto
Robert Friedlander, Boston
Christian Haass, Munich
Ulrich Hartl, Munich
Michael Hayden, Vancouver
Joachim Klose, Berlin
Ron Kopito, Stanford
Hans Lehrach, Berlin
Allen Minton, Bethesda
Rick Morimoto, Chicago
Paul Muchowski, San Francisco
Hitoshi Okazawa, Tokyo
Harry Orr, Minneapolis
Walter Schubert, Magdeburg
Dominic Walsh, Dublin

IMPORTANT DATES

Abstract Submission Deadline	June 1, 2006
Deadline For Early Registration	June 15, 2006
Abstract Review Meeting	July 1, 2006
Deadline For Hotel Bookings	July 18, 2006
Welcome Reception Berlin-Brandenburg Academy of Sciences	September 6, 2006
Speakers Dinner	September 7, 2006
Conference Dinner Boat Tour	September 8, 2006
